Hospitality Internship Program

Would you like to Intern with an international organization (like a 4 or 5 star international Hotel chain) in tropical Thailand?

The Hospitality Program allows young professionals in the Hospitality Industry the opportunity to gain experience in well-known hotel properties in Phuket. The fields of training vary from property to property. Previous experience and/or academic study within hospitality is a must for this program.

The Hospitality Program is a custom-designed period of unpaid training of between 5 weeks and 1 year, organized in Phuket and some other cities in Thailand (on demand). The internships are primarily within international hotels chains and 4/5 star hotels. Boutique hotels are also available on request.
