

## Abroad Program – Austria

### About Austria

Austria is located in the middle of Europe and is bordered by eight countries. This makes it an ideal starting point for further travels. But you don't need to go far – Austria itself has lots to offer! In its capital Vienna you will find baroque palaces and impressive churches, but also small traditional coffee shops with tasty pastries and cakes. The country is also famous for its Alps Mountains and the diverse opportunities for winter sports – skiing and snow boarding fans or those who would like to learn it will definitely not be disappointed. If candidates visit Austria in summer you can enjoy its lakes and hike tracks, the amazing nature, and the interesting city centres.
